

Update to *Rare Birds of California*

1 January 2004 – 29 May 2010

Edited by Jim Tietz & Guy McCaskie

This table updates the records listed in the species accounts published in *Rare Birds of California*. It follows the format described on pages 42-43 of that book. This table will be updated periodically as new decisions are reached by the California Bird Records Committee (CBRC).

Rare Birds of California includes all records through 31 December 2003 and is now on sale for a reduced price of \$49.
